Introduction

I currently work in companies in the labor market in one of the following positions:

1. [Full Stack Developer](#).
2. [DevOps and Site Reliability Engineer](#).

Please access one of the links above. They will lead you to specialized versions of my resume demonstrating my performance in these positions.

Right now, I am available to work part-time or full-time.

How I build this CV

I build Documents in the same way as Code ([Docs-As-Code](#)). Read more about how I do this, and my ideas to develop this CV in an even better way, in
